Feb.2nd 1995.

Dear Batuz

As we said on the telephone day before yesterday I will come to the opening of the Batuz Foundation Museum on June 3rd and, on June 2nd, to the opening of the Adenauer Foundation show in the Gruene Gewoelbe in Dresden. Si Dios quiere. Have to still work out my time schedule.

Meanwhile, I am expecting a call from Andras to sort out the print numbers of the photographs needed for your exhibition. I am glad to hear that everything is progressing well.

Good luck with everything, best wishes,

Inge Morath
