Dear President Andersen,

thank you very much for your kind letter concerning my membership in the International Advisory Board of the Batuz Foundation and the Société Imaginaire.

It is a great honor for me, to be a member of this board of distinguished and outstanding personalities. Everytime I have a chance to meet President Batuz I feel inspired of the great ideas of the Batuz foundation and I am very glad to have a chance to at least a little support the great objectives of the organisation.

I look forward to further important activities of the Batuz Foundation. If I can make a contribution such as a lecture, please let me know
