Dear Mr. Anderson,

Thank you for your letter in which you kindly invite me to join the International Advisory Board of the Batuz Foundation and the Societe Imaginaire.

I gladly accept your invitation to serve on the board of the directors and to be a part of this distinguished group of people. As a participant over the years I have become a firm enthusiast of the foundations functions and can only be honored to be of such service.

It is with great respect to be officially involved and I look forward to meeting with you soon.

Sincerely yours,

Franz-Josef Reuter
